On June 6, 2008 we submitted an ASIC form 604 (the “Original Form”) issued by the Company in relation to shares in Coal of Africa Limited (ACN 008 905 388). On a recent reconciliation of the custodian statement account regarding direct purchased shares of Coal of Africa Limited, our client discovered that the Company holds 750,000 shares in addition to those detailed in the Original Form (the “Additional Shares”).

We have amended the Original Form to reflect the Additional Shares. Please find the amended form enclosed.

In accordance with the Corporations Act 2001, please find enclosed an ASIC form 604 detailing the change of substantial holding.

Yours faithfully,
